Course Instructors

Ms. Saulnier

AP Biology, Biology

Ms. Saulnier is an outstanding teacher with 18 years in the Medical Science Magnet Program of Freehold Regional High School as the lead teacher. She knows how to build a strong relationship with students, engage them in their learning and use a need-based assessment to address their individual learning style. As a result, the student will meet the goals of the course and it will lay the foundation for continued academic growth. Her teaching style incorporates the study, note taking and practice skills necessary for students to meet the challenge of the course, and the majority of them achieved top or high scores on the AP Exam.
